

# BIKING AND HIKING TRAIL DESCRIPTIONS

● EASIER ■ MODERATE ◆ DIFFICULT ◆◆ EXPERT ONLY! ● FREESTYLE FEATURES

Be aware that even though a trail may be marked Easier, all trails still require basic mountain bike handling skills, mountain travel skills and physical fitness. Trails may be temporarily closed at any time due to construction and/or maintenance. Please obey signs for your safety. Bike and helmet rentals, repairs, riding instruction and tours are available. For information, please call 435-645-6648, 435-645-6606 or 888-754-8477.

## Downhill Specific Bike Trails

### **HOLY ROLLER:** 3 MILES

● EASIER

Holy Roller flows from the top of Bald Mountain to Silver Lake Village, providing riders an easy and fun option to descend the upper mountain terrain.

### **TIDAL WAVE:** 3 MILES

■ MODERATE

An intermediate flow trail that begins at the top of Sterling Express chairlift and features a mixture of large bermed turns, over 50 jumps of varying size and will make you feel like you are experiencing a roller coaster on your mountain bike.

### **SUNSET:** 1.9 MILES

■ MODERATE

One of the least difficult routes. Access via Homeward Bound ski run.

### **NAILDRIVER:** 2.1 MILES

■ MODERATE

Access is to the west from the top of the Sterling Express chairlift via the Homeward Bound ski run. There are bermed turns and panoramic views. This is the least difficult route down Bald Mountain. *Caution: slow riders!*

### **SUPER G TREES:** 0.3 MILE

■ MODERATE

Access from Naildriver to the right of the meadow. A single track with long turns through the aspens.

### **PAYROLL:** 1.5 MILES

◆ DIFFICULT

This trail begins off of Corvair and is a fast, flowing, wide single track with a number of rollers, bermed turns and a couple of drops.

### **FREESTYLE:** 0.5 MILE

◆ DIFFICULT

Access from Aspen Slalom. Very tight, twisting single track in the trees, with an exciting drop at the end!

### **ASPEN SLALOM:** 1 MILE

◆ DIFFICULT

This tight single track through the aspens follows the Sterling Express chairlift down.

### **TWIST AND SHOUT:** 0.75 MILE

◆ DIFFICULT

Access from Naildriver to the right, 1.7 miles from the top of the Sterling Express chairlift. A thrilling steep and twisting single track with tight curves and lots of trees.

### **THE DOG POUND:** 0.5 MILE

◆ DIFFICULT

● FREESTYLE FEATURES

A series of four trails named for Deer Valley's avalanche dogs. These trails contain freestyle features, bridges, ramps and skinny's.

### **PEDALERS INN:** 0.5 MILE

◆ DIFFICULT

● FREESTYLE FEATURES

This technical trail contains bridges, ramps and other features.

### **POINTY ROCKS:** 0.5 MILE

◆ DIFFICULT

Access from Tour Des Homes. A technical, steep rocky trail that descends to the base of Silver Lake Express chairlift.

### **DEVO:** 3 MILES

◆ DIFFICULT

A tight, technical single track from the top of Bald Eagle Mountain to the Snow Park base area. This steep trail has numerous turns and was part of the National Championship Series Sport Downhill course.

### **COMING SOON! TSUNAMI:**

◆◆ EXPERT ONLY!

A new high speed, expert level jump/flow trail is being constructed this summer and will be opening in stages, as sections become complete. Tsunami has the largest jumps, berms and features at Deer Valley Resort. Expert riders only.

### **UPPER ASPEN SLALOM:** 0.5 MILE

◆◆ EXPERT ONLY!

This trail has tight, steep turns and a few drops with access to Aspen Slalom and lower Fire Swamp.

### **FIRE SWAMP:** 1.1 MILES

◆◆ EXPERT ONLY!

Expert only! State Championship Downhill course. Pads and downhill bike recommended.

### **THIEVES FOREST:** 1.3 MILES

◆◆ EXPERT ONLY!

Expert only! Pads and downhill bike recommended.

### **NCS (NATIONAL CHAMPIONSHIP SERIES DOWNHILL COURSE):**

1.5 MILES

◆◆ EXPERT ONLY!

This trail is one of the most difficult downhill race courses in the country.

## Multi-use Trails

### LAKESIDE TRAILS:

● EASIER

A series of paved trails that surround the lakes just north of the Snow Park base area parking lots.

### DEER CAMP: 3.5 MILES

■ MODERATE

This trail begins in the meadow and is located to the right of the double track on the way to Flagstaff Mountain. Scenic single track trail through aspen groves.

### MID MOUNTAIN TRAIL

■ MODERATE

This stunning, scenic single track trail traverses Deer Valley and Park City Mountain Resort connecting these areas and offering spectacular scenic vistas, lush forests and beautiful aspen groves. See Mountain Trails Foundation's map at any Ticket Office.

### TOUR DES HOMES: 2.5 MILES

■ MODERATE

A mix of dirt road and single track beginning at Sterling Drive at Silver Lake. This wide trail follows ski runs through some of Deer Valley's most beautiful homes. This is the least difficult trail down to the Snow Park base area.

### DEER CREST: 3.5 MILES

■ MODERATE

A combination of single and double track trail that connects Bald Eagle and Deer Crest. This trail ends just east of Snow Park Lodge.

### MOOSE BONES: 1 MILE

■ MODERATE

A cross-country trail that connects Road to Ruby to T.G. *Caution: watch for uphill traffic!*

### ROAD TO RUBY: 3 MILES

■ MODERATE

This trail connects to the Flagstaff trail system accessing the Ruby Express chairlift. This trail contains bermed turns with a few jumps and rollers mixed in. A mild 50' ascent is necessary to connect to the Flagstaff trail system. *Caution: watch for two-way traffic.*

### BOULDER: 3 MILES

■ MODERATE

This trail has numerous bermed turns and rollers and is the least difficult trail down from the top of Ruby Express chairlift.

### CORVAIR: 2.5 MILES

■ MODERATE

This trail starts on T.G. and connects to the base of Ruby Express chairlift. This wide single track meanders through thick pine forests. *Caution: watch for uphill traffic!*

### FLAGSTAFF LOOP: 4 MILES

■ MODERATE ◆ DIFFICULT

Access from Deer Camp. You will encounter a mix of uphill and downhill stretches of single track.

### TOUR DES SUDS: 6 MILES

■ MODERATE ◆ DIFFICULT

Access from Flagstaff Loop. A true cross-country trail encircling Flagstaff Mountain mainly on single track. *Caution: watch for uphill traffic!*

### TBB "TEAM BIG BEAR": 2 MILES

■ MODERATE ◆ DIFFICULT

A cross-country trail that meanders through open meadows then drops through rugged forest. Access from Flagstaff Loop. *Caution: watch for uphill traffic!*

### BOW HUNTER: 1 MILE

◆ DIFFICULT

A cross-country trail on a narrow, technical single track with great views of Heber Valley.

### T.G. : 2 MILES

◆ DIFFICULT

This trail begins off of Highway 224 and is one of the most difficult trails in the Empire and Flagstaff areas. It winds through thick pine forests with a beautiful view from below Daly Bowl and Chutes. *Caution: watch for hikers!*

### EMPIRE CANYON AND DEER CREST TRAILS:

These trails leave the chairlift-served area. Detailed maps are available at any Ticket Office.

## Hiking-only Trails

*Be sure to watch for vehicles. Please note these trails are hiking only. Good trail shoes are a must.*

### SILVER LAKE TRAIL: 2 MILES

Moderate descent/strenuous ascent +/- 1400'. This trail encircles the top half of Bald Mountain, offering spectacular views in all directions.

### SCENIC OVERLOOK: 0.25 MILE OUT AND BACK

Easy +/- 100' access via top of Sterling Express chairlift. This is a short hike offering beautiful views of the Jordanelle Reservoir and Uinta Mountains.

### SULTAN OUT & BACK: 3 MILES

Easy descent/moderate ascent +/- 900'. Access to the east of Silver Lake Lodge. A gradual descent through aspens and pines ending at a viewing deck of the Jordanelle Reservoir, Uinta Mountains and Heber Valley. No chairlift-served access.

### NABOB LOOP: 1 MILE

Easy descent/moderate ascent +/- 250'. Access to the east of Silver Lake Lodge. A short single track loop from Silver Lake to the Nabob ski run and back. No chairlift-served access.

### ONTARIO CANYON TRAIL: 2 MILES

Moderate descent/strenuous ascent +/- 1400'. This trail descends the back side of Bald Mountain through a wide-open meadow, finishing in Ontario Canyon. The trail is a steep single track for the first mile and then becomes more gradual. This trail is a good option to connect to, or return from, the multi-use trail system on Flagstaff Mountain.

### RED CLOUD TRAIL: 2 MILES

Easy descent/moderate ascent. This trail connects the Mid Mountain trail to the top of Flagstaff Mountain as it winds through the forest and meadows.
