Want to save time and get out on the slopes sooner?

Grab & Ski is for you!

You can avoid the routine rental-fitting process if you are renting a full-set package(s) and all of the information above is complete and accurate. Your equipment will be ready for immediate pick up at any of our three rental locations. Just check the box in the 'Equipment Rentals' section on the previous page. *(However please note that, if the equipment does not fit, you will still need to go through the normal rental fitting process and queues to see a technician.)*

For information about our Adult and Children's Specialty Programs, call 888-754-8477 or visit deervalley.com.

* For safety purposes, Deer Valley strongly recommends a skier ability of AB or greater for this private lesson meeting location.
