Freeride trails are often wider than technical trails, containing enhanced and modified terrain, obstacles, and features such as jumps, berms, banks, bridges, drops, etc. created from dirt, wood or other materials. Freeride trails may also incorporate technical trail features and designs.

Technical trails are often relatively narrow and contain features and characteristics found naturally occurring on the area property, its slopes, trails, and terrain. Technical trails may contain roots, gravel, rocks, logs, water crossings, jumps, drops and other natural characteristics and obstacles found in the natural environment, and may also include some man-made obstacles and bridges. Technical trails may also incorporate freeride trail features and designs.

All riders who enter the Deer Valley Bike Park must sign a release of liability waiver and obtain a complimentary access pass.

Leaving Deer Valley trail system; see Ticket Office for map of area trails.

MOUNTAIN BIKER CODE OF CONDUCT

Mountain biking/hiking offers a range of challenges and adventures. Trail users can choose gentle scenic routes or challenging single track descents. Regardless of what type of terrain you select, remember, there are elements of risk in mountain biking/hiking. Common sense and personal awareness can help to create a great trail experience for everyone.

By mountain biking/hiking at Deer Valley Resort, trail users understand and acknowledge that mountain biking/hiking are hazardous sports with many inherent risks and trail users assume all risks of personal injury as well as damage to or loss of property arising from participation in these sports.

All riders who enter the Deer Valley Bike Park must sign a release of liability waiver and obtain a complimentary access pass.

- Familiarize yourself with the trail systems and select routes within your ability level
- When in doubt, walk your bike
- Don't ride/hike alone. Be prepared for emergencies
- Be self-sufficient and aware of changing weather and terrain conditions. Water, tools, extra clothing, gloves, sturdy shoes and sunscreen are recommended
- Always yield to vehicles, horses, hikers, uphill and slow riders
- Obey all trail signs and markings and only ride/hike on designated trails. Ride, don't slide!
- Notify the lift operator for first aid assistance or call 435-615-6208
- Don't stop where you obstruct a trail or are not visible to others
- Respect the environment and wildlife
- Prior to using any lift, you must have the knowledge and ability to load, ride and unload safely
